

Putting Nutrition First

All of our meals are freshly prepared in our Kids Play kitchens. Our nursery cooks have many years of experience and make us lots of delicious, nutritious and freshly prepared lunches and dinners.

We have worked very closely with a nutritionist to ensure that the children have a well-balanced diet, and we can cater for any special dietary requirements that may be needed.

Nature-Based Play

At Kids Play we believe learning should be an adventure, which is why our learning is based around nature-based play! Throughout our Nurseries, you'll see children play with natural wooden toys, use real vegetables in our role play areas and create outdoor inspired arts and crafts. Most of our Nurseries also have rabbits and guinea pigs, that children actively help look after.

With qualified Forest School Practitioners, we are also able to run Forest Schools across our MK Nurseries and Pre-Schools. Held in the Childcare Hub's woodland garden, children develop their appreciation of nature as well as gain confidence and self-esteem.

4 Convenient MK Locations

With a choice of locations, you'll find the most modern of nursery buildings to charming listed properties.

The Childcare Hub

We realise that choosing the right nursery for your child is one of the most important and difficult decisions you will ever have to make.

Caring for 6 week old babies to 5 year olds, we actively work in partnership with parents and guardians to ensure healthy, happy children who are ready for mainstream school.

"Children learn about the world in which they live, such as when they grow beans and celebrate festivals."

"The high quality of learning that these children experience enhances all aspects of their personal, social and emotional development."

"The quality of teaching and learning in the educational unit of the nursery is excellent."

Ofsted

We have four nurseries in Milton Keynes.
See back for details.

Baby and Pre-Toddler Rooms From 6 weeks to 24 months Ratio 1:3

We have nurtured a caring and stimulating environment within all of our Baby and Pre-Toddler Rooms. Using movement, sound, colour and touch, babies and toddlers are encouraged to explore, develop and above all, enjoy their 'second home'.

We strive to mirror the childcare that you give your child at home including the feeding habits, nappy changes and sleep routines you use; all made possible through regular contact with your child's experienced key person.

Children also enjoy outdoor play, freshly prepared, healthy food and milk bottle feeds made by a senior member of staff.

Toddler Rooms From 24 to 36 months Ratio 1:4

More structured than the Baby Rooms, each varied activity in the Toddler Rooms is considered a learning opportunity and above all, fun and stimulating.

Toddlers are encouraged to enjoy early maths, develop their language skills, undertake creative play and learn to relax at story-time.

Plus, your child's key person will also work closely with you to mirror the potty training routine you use at home.

Pre-School From 3 to 5 years Ratio 1:8

Our aim within every one of our Pre-Schools is to ensure that your child is ready for mainstream school.

Our staff, many with Early Years Teacher Status and qualified up to degree level, follow the key areas of the Early Years Foundation Stage. You can expect your child's week to be full of learning experiences, split between the Pre-School, the garden or in the local community.

We use 'planning in the moment', this concept supports child-led learning allowing our practitioners to seize the moments when children first show curiosity and support their next steps immediately. This sustains higher levels of well-being and involvement for the children in our settings, encouraging them to have a 'can do' attitude, critically think and be creative.

Whilst we hate to say goodbye to children leaving to start school, we ensure that it is undertaken in style with a fun and exciting graduation ceremony. It is a lovely occasion for all of the family to enjoy and includes a graduation service (complete with little gowns and hats), a children's concert service and BBQ.
