## Celebrating your achievements

“

### Thank you from the Directors

Wow! We cannot believe it's been two years since our last award ceremony.

Time sure flies when we love our jobs!

Together we have achieved so much over the last two years; a beautiful new nursery in Bury St. Edmunds, which OFSTED said was 'outstanding for personal development, behaviour & welfare' a new farm based nursery at Mead Open Farm, complete with a six month waiting list; and of course The Childcare Hub in Milton Keynes, Nursery World's New Nursery Launch of the Year. While so many people have contributed to The Childcare Hub's success, it was Sharon's vision and research that have created this truly unique home of nature based play.

The next two years we believe will be as equally as exciting with plans to open more farm and nature based nurseries. The first of which will be Odds Farm Park in Beaconsfield that has building work commencing early in the New Year and we have more nurseries set to open further afield.

We, of course, thank our Seniors for all their hard work, long hours and rigorous reviews ensuring we are not just OFSTED compliant but quality led settings. All 15 settings have been rated as Good by OFSTED, some with outstanding elements.

On this beautiful occasion, we take this opportunity to convey our wishes to all of you, who have given impeccable contribution in shaping this company. Our joint vision of wanting what is best for children shines through all of our settings because of you!

It has been such a privilege to read through all the wonderful comments, they clearly show the wonderful impact you all have on your colleagues and families lives. You should all be so proud of yourselves!

Thank you so much, you awesome bunch!

**Paul, Sharon & Jimmi**

### Thank you from the Seniors

A huge thank you to all Managers, Deputies and Practitioners. Your enthusiasm, dedication and hard work has ensured that all the children in our care receive a first class experience. We have seen you encourage and support their development, create stimulating and interesting environments and invest in parent partnerships to provide a warm and nurturing service. Your unflinching energy and commitment has been appreciated and we are so proud of you all.

We of course can't go without a thank you to the head office team who supports us all; ensuring we are paid on time, dealing with many parent questions, new enquires and helping with understanding the figures! Your support to us and all the sites is very much appreciated and makes our lives a lot easier!

We are excited to be celebrating this evening with you all ....

Here's to celebrating many more years of success!
